Funded by the Bureau of Justice Assistance (BJA), the National Sexual Assault Kit Initiative (SAKI) aims to create a coordinated community response that promotes survivor healing and ensures just resolution to sexual assault cases through a comprehensive and victim-centered approach, building jurisdictional capacity to prevent accumulation of unsubmitted sexual assault kits (SAKs) in the future and supporting the investigation and prosecution of cases for which SAKs were previously unsubmitted.

As of September 2020, SAKI has accomplished the following:

- **132,437** SAKs inventoried
- **73,094** SAKs sent for testing
- **62,821** SAKs tested to completion
- **24,501** DNA profiles uploaded
- **11,439** CODIS hits
- **15,462** investigations
- **1,557** cases charged
- **880* convictions**
- **1,549** CODIS hits to serial sex offenders
- **5,800** CODIS hits to serial violent offenders
